

eBook Student Checkout Policies at SSPP

1. eBooks are available for 4th-8th graders. (Only 7th-8th will be able to check out teen eBooks.)
2. Students may only checkout one eBook at a time. Students are still allowed three regular book checkouts.
3. eBook checkouts are for three weeks. There are no eBook renewals. Once the eBook is due, it will disappear from your book bag in Destiny Discover. (Please return your eBook early if you no longer want it so that others can read it.)
4. Please do not use eBooks during your library class since many students need to use the computers for searching on Destiny Discover.
5. Mrs. McDonough will not be able to check out eBooks to students during library class. Checking out eBooks is something students will need to do for themselves at home. She will, however, be able to answer questions about eBooks during library class.
