## HOME STETCH COVID REMINDERS

We are in the home stretch for the school year. Please remain vigilant so SSPP can continue to keep our building healthy. In following the IDPH protocols you are required to report to the school if:

1. Your child tests positive for Covid-19.
2. Your child is symptomatic with any of the symptoms on the COVID-19 checklist.
3. Your child is exposed to someone who is symptomatic with any one of the symptoms on the COVID-19 Self Check
4. Your child is exposed to someone who is COVID-19 Positive
5. Your child or someone in the household has a pending COVID-19 test.

We know that these guidelines are tedious and at times inconvenient, however, they help to keep our children safe. Once again, the COVID check is attached to this newsletter.

*From the principal...*

Dear Parents and Families,

It has been another great week at SS. Peter & Paul. We pray especially this weekend for our students making their first communion! What an awesome achievement!

Our students are currently raising funds through May 7<sup>th</sup> through our Spring Read-A-Thon! We have already raised over \$4200 and logged over 2600 minutes of reading in week one! There are some awesome prizes for our students to help motivate them! If you have the ability to participate, thank you!

If you have not already set up a PledgeStar account for the Read-A- Thon please follow the directions to the left. It is an excellent fundraising tool that takes away much of the anxiety and stress that comes with asking for sponsorship. Any small donation helps our school community and it takes less than 10 minutes to set up an account and reach out to 10-15 people.

I pray that each of you have a blessed weekend!

Nick
