From the principal...

Dear Parents and Families,

It has been another great week at SSPP! We celebrated our 8th grade students with an awards night, outdoor social, and graduation ceremony! We also had our field day this week! It was a great week!

As we head into the Summer I just wanted to take a moment to say what a blessing it has been to serve as your principal this year! We have a fantastic community and you have fantastic children! This year has presented many challenges, but we have done extremely well as a school community. This has been in large part due to the support we receive from our parents. Thank you for all that you do!

We still have openings in many of our classrooms for next year. If you know of a family that would be a great fit for our school please encourage them to reach out. We still have a \$500 referral award for referring a new family who registers at SSPP!

I will be around the office throughout the Summer! I hope to see many of you around Church!

In Christ,

Nick

**HAVE A BLESSED
SUMMER BREAK!**
