Dear SS. Peter & Paul Families,

On behalf of the SS. Peter & Paul Catholic School faculty and staff, we would like to thank each of you for choosing to give your child(ren) the gift of a Catholic education. We look forward to continuing with our commitment to provide an outstanding education for your child(ren) for the upcoming school year. Tuition for the 2023-2024 school year has been set and all tiers and discounts are outlined on the next few pages.

We increased the base tuition by \$250 dollars. This increase is \$25 per month on a 10 month payment plan. In the previous school years 82% of our expenses have been used towards salaries and building maintenance. The remaining 18% has been used directly for general instructional expenses. This includes curriculum, student scholarship expenses, technology, software, supplies, and other student infrastructure needs. This increase is to continue to support our faculty, staff, beautiful building, and top notch curriculum.

This past year we launched a K-8 STEM curriculum and 6-8 Spanish program, introduced a Lego FIRST robotics team, purchased a new math program, and purchased new student computers for our technology lab.

We have expanded the Kindergarten discount to include all families entering Kindergarten, regardless of where they attended Preschool. This has also been increased from \$500 to \$750. We are also continuing to promote our referral discount. Please see the details below.

FACTS Grant & Aid will accept applications from January 31st-March 1st, 2022 for the SSPP scholarship program. If your family needs financial aid for the 2023-2024 school year and you have applied for aid in prior years, you will need to reapply for aid again. Financial aid does not roll over.

We will continue to use the FACTS Management system for tuition payments in the 2023-2024 school year. For current families there is no need to set up a new FACTS account. However, if you are adding a new student to your family, please log on to your FACTS account and add their information. Please note: current tuition plans, payments, and financial aid will end in June 2023.

For FACTS agreements, if parents need to update banking or credit card information, you may login to your FACTS account and do so. We suggest that you login to review terms and conditions. If parents need to change the payment terms, please contact the school office.

It is important to note you must email Mr. Satterlee, Principal at NSatterlee@ssppcary.org by March 1st if your child is **NOT** returning to school for the 2023-2024 school year. Otherwise, your FACTS tuition payment account for the 2023-2024 school year will be activated on March 15th and annual fees will be set up. First payments for the 2023-2024 school year will be deducted in July.

The above dates and communications are vital to SSPP and our decision making process for the upcoming school year. We appreciate your support in meeting these deadlines.

If you have any questions or concerns, please contact the school office at 847-639-3041.

Thank you for your continued generosity, prayers and support of SS. Peter & Paul Catholic School.

In Christ,

Nick Satterlee

My Dear Catholic School Families,

I pray that the peace and blessing of Our Lord may be poured out upon your family and upon those most in need in our community!

“The joy of the Gospel fills the hearts and lives of all who encounter Jesus.” These words of our Holy Father, Pope Francis, are a deep encouragement to all who follow Christ. Perhaps this is why he chose them as one of his first universal messages to the world early in his papacy. Encouraging an encounter with Jesus and seeking to be filled by the Gospel, all of this amid the competing messages of the world that strive to fulfill but cannot.

As our children grow we seek to foster their relationship with Jesus. The more they encounter Jesus, the more the good news of the Gospel can fill their little hearts and lives with great joy. How beautiful it is to see the natural vibrance of our children magnified by the beauty of the faith and the love of God.

As Pastor of Saints Peter & Paul Catholic School I am so grateful for the faith-forward environment provided by our administrators, teachers and staff. This genuine demeanor in our school provides a virtuous culture of faith that is foundational for Pope Francis' invitation of Gospel Joy to be nurtured within the mind, life and heart of your child!

Continuing to reflect upon the witness of faith in our school we consider the impact of the pandemic upon our community, nation and world. I am so very impressed with the daily investment of our Catholic School Team as we maintained our commitment to collaborate and communicate both honestly and lovingly through some tough moments. The patience, understanding and amazing support of you, our parents, was so very helpful to provide these past many months of healthy and successful education! Thank you!

Through the activities and correspondence of this Catholic Schools Week you are invited to share in our joy as we celebrate a new theme each day connecting with so many who support us in our commitment of faithful Catholic Education.

+Richest Blessings,

Father Trowbridge

Pastor
